Bruce Fields' dynamic influence reflects his **30 years in the industry with construction management expertise on all project types**, ranging from high-profile to complex projects. His diverse portfolio is recognized with a depth of experience that encompasses all business sectors: from large complex parcel site development, mixed use centers, hospitality destinations and corporate headquarters, to luxury retail centers, landmark residential properties, major public sector anchors and premier office spaces. Bruce gained this depth of knowledge through hands on experience and strength in leadership.

His excellent leadership and dependable communications ensure trust with clients, meeting their **every goal and satisfaction through all steps of the project**. Bruce will focus on value-added solutions that improve operational efficiencies and the quality of the building. Bruce leads an exceptional group of professionals who are dedicated to delivering an impactful result.

Bruce Fields earned his Bachelor of Science degree in Construction Engineering Technology from Louisiana Tech University. He is a recognized mentor, having fostered the career growth for dozens of professional colleagues across the construction industry. Some of the projects that he has managed are:

- **George W. Bush Presidential Center**, Dallas, TX
- **First Baptist Church Campus**, Dallas, TX
- **Southlake Town Square, Southlake Town Hall**, Southlake, TX
- **Sabre Corporate Headquarters**, Southlake, TX
- **Davis Building Historic Renovation**, Dallas, TX
- **Forty-Five Ten**, Dallas, TX, **Hudson Yards**, NY and **Aspen**, CO
- **1217 Main St.**, Dallas, TX
- **900 North Michigan Avenue, Four Seasons Hotel**, Chicago, IL
