Jake Fields is a dedicated, self-motivated professional who enjoys being collaborative and seeing the dreams of others realized through all phases of a project. With 10+ years in the construction industry, his **attention to detail** is a major asset to any project team. Spending time in some of the toughest construction markets ranging from DFW Airport to Healthcare and Institutional projects, his experience has helped cultivate a leadership mentality and the drive to be successful.

In the tumultuous landscape of a construction or development project, Jake's ability to narrow the conversation and determine appropriate next steps is a **valuable asset to any member of the project team**. His experience working on challenging projects has broadened his skills as an effective leader.

Jake Fields earned his Bachelor degree from Texas A&M University. Some of the projects that he has helped manage are:

- **St. Andrew United Methodist Church**, Plano, TX
- **Baylor Scott and White Medical Office Building III**, Irving, TX
- **Dallas Cowboys Stadium**, Arlington, TX
- **Hope Fellowship Church**, Frisco, TX
- **Public Storage Deep Ellum**, Dallas, TX
- **Alcuin Montessori School World Language Fine Arts Building**, Dallas, TX
- **DFW Airport Terminal A - Site and Roadways Package**, Dallas, TX
- **DFW Airport Terminal E - Site and Roadways Package**, Dallas, TX
- **DFW Airport Hyatt Place at Southgate Plaza**, Dallas, TX
- **DFW Airport GSE & COBUS Canopy Structures**, Dallas, TX
- **City of Grand Prairie Public Safety Facility, Active Adult Cntr., Central Park**, Grand Prairie, TX

Fields' expertise and strengths include:

- Clear team communications as a priority, with a collaborative culture of working with all project members.
- Effective problem solving through an unbiased perspective on the ideas to produce the best results for the overall project.
- Selection and assembly / creation of design and construction teams
- A hands-on approach to management, from team selection through implementation
